

Eazy-Peazy Party Rules

- A \$75 deposit must be paid at the time of booking to ensure booking is final. Deposit is non-refundable and cannot be transferred toward a different service or product.
- Everyone's temperature will be checked upon entry. If we suspect you or one of your guests is showing ANY symptoms of COVID-19, we have the right to not let them inside and ask them to leave the premises.
- All adults must wear a mask/face covering as per COVID-19 protection by-law. • All guests (children & adults) MUST wear socks. Socks are available for purchase at \$2.50+HST for each pair.
- A waiver template will be sent to you prior to your party to have your guests signed in with all required information for Eazy-Peazy. You will need to confirm the number of kids 1 week prior to the party and the completed waiver will need to be sent back to Eazy-Peazy by a maximum of 2 days before your party.
- Children of all ages are included in the guest count and therefore will be charged at full price.
- Each additional child for Eazy-Peazy Celebration and Supreme Celebration is \$15+HST, outside of your party package. Each additional child for Themed Celebration is \$18+HST, outside of your party package. Eazy-Peazy will provide a head count for your party, and ensure that you are receiving the best value.
- For every confirmed child that does not show up, we will still charge a full fee (as specified above).
- Eazy-Peazy does not guarantee which party room will be given to you. We select party room for each individual party based on party package chosen, number of guests and special circumstances (ex. wheelchair access).
- Staff will set up decorations only supplied by Eazy-Peazy. All extra decorations brought in from outside must be set up by the party host.
- No decorations can be pinned/taped to walls or from the ceiling (ex. posters, piñatas, etc.)
- If there is any damage done to the room décor or gates, your deposit will not be put towards the final balance, but will be used to cover the cost of fixing the damage.
- You are permitted 15 minutes before the start of the party into the party room for extra set up. You and your guests MUST exit the party room and the facility at the end of the party. There is no extra playtime after the party has ended.
- You must take all of your belongings, including the decorations you have brought as well as any garbage. If you go over the given time, you will be charged an additional \$50+HST for each half hour.
- Each extra 30 minutes in the party room can be requested for an additional \$50+HST.

- All helium balloons brought in MUST have weights attached to them. Weights are available for purchase for \$3.00+HST each. If weight is removed and any balloons fly up to the ceiling, a charge of \$25+HST will apply. If any balloons get tangled up in one of the ceiling fans, your deposit will be held and put towards fixing the fan.
- Pizza MUST be ordered through Eazy-Peazy Indoor Playground. Outside pizza will not be permitted into the building.
- You can bring food such as chips, cookies, sandwiches, fruit and veggie platter, etc. and nonalcoholic beverages. All food must be nut-free and should not need to be heated up by the staff. If you have further questions on allowed food, please contact Eazy-Peazy directly via email (info@eazy-peazy.ca).
- You may bring your own nut-free cake.
- Please make sure to have enough plates and cutlery for any additional food that you bring. We will only supply enough for pizza and cake.
